⚡ Daily load

⚡ Solar system connection

Product Specifications

Model		
Battery Type	Li-ion	
Battery Voltage	. V	. V
Nominal Capacity/Energy	Wh	Wh
Input		
Solar Input	VDC A	
Output		
DC Output	. VDC A (DC ++)	VDC A (DC +++)
USB Output	VDC A (DC +)	
General Data		
Display Mode	Power light indication, charging state light indication	
Protection Function	Charge and discharge management, overcharge protection, over discharge protection, short circuit protection, etc	
Working Environment	Temperature: °C~ °C;Humidity: - %	
Product Size(L*W*H)mm	* * .	* * .
Packing size(L*W*H) mm	* *	* *
Net weight(kg)	. kg	. kg
Gross weight(kg)	. kg	. kg
Accessories	V W solar panel VDC LED lamp	V W solar panel VDC LED lamp
